# Accessibility Statement

**Vital Community Energy is committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability.**

**We are actively working to increase the accessibility and usability of our website and, in doing so, adhere to many of the available standards and guidelines.**

## Web Accessibility Initiative

This website endeavours to conform to level Double-A of the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines 2.0.

## W3C Standards

This site has been built using code compliant with W3C standards for HTML and CSS. The site displays correctly in current browsers and using standards compliant HTML/CSS code means any future browsers will also display it correctly.

[www.allaboutcookies.org](http://www.allaboutcookies.org).

## Exceptions

Whilst we strive to adhere to the accepted guidelines and standards for accessibility and usability, it is not always possible to do so in all areas of the website.

We are continually seeking out solutions that will bring all areas of the site up to the same level of overall accessibility. In the meantime should you experience any difficulty in accessing this website, please don't hesitate to contact us.

If you would like more information or have questions, we'd be more than happy to help.
